## NEWS 18.01.2021

### Events, Covid Testing and Vaccines, Exclusions film, surveys

We hope you are keeping safe and well, and that the new lockdown is not causing you too many problems.

We will be sending out a **survey** later today to capture your experiences with education during this current lockdown. Please do look out for it and let us know how your school/education setting is working for your child.

If you are experiencing any issues with schools, social care or health services that you would like to share with us, don't forget you can also use our **Issues Log** form which is available on our website [here](#)

### Events

Thank you to everyone who came to our virtual Coffee Morning last Wednesday. We hope you found it useful to hear what Lambeth are doing with regard to the Local Offer, an Inclusive Youth Forum, and how they will be communicating the offer.

The **Inclusive Youth Forum** is being set up to enable young people with additional needs to have their say about the services available to them.

If your young person would like to be involved in this, with your support if necessary, please contact Jerome Martello in the Commissioning Team [JMartello@lambeth.gov.uk](mailto:JMartello@lambeth.gov.uk)

**Save the Date** - Our next **Come Together! Coffee Morning on Zoom** will be on **Wednesday 24th February 2021, 10.00 - 12.00**

We'll be sending out more information nearer the time.

Thanks too to everyone who has signed up to take part in our **EPEC Being A Parent course**. We had a lot of interest, and unfortunately couldn't offer a place to everyone who wanted one. We are hoping to be able to bid for more funding in April to run the course again.

**Workshop: Money Matters with Contact - Tuesday 26th January 2021, 10.00 - 12.00**

There's still time to register for our workshop which will give an overview of benefits and how carers can get help with grants and discounts.

If you would like to attend, please register here: <https://family-action.zoom.us/meeting/register/tJ0rc-mhpjIqGd0VgubExAeyelgtACCTaWns>

After registering, you will receive a confirmation email containing information about joining the meeting. Please note, this confirmation email will come from [rosemary.merricks@family-action.org.uk](mailto:rosemary.merricks@family-action.org.uk)

## COVID related information

### Open Letter to children and young people with SEND, their parents and carers, and those who support them

### COVID Testing

In Lambeth, you can now get a rapid Covid test if you don't have symptoms at three sites across the borough. Tests are free and available to anyone living or working in Lambeth, including for children aged over 3 and young people. Full details and how to book can be found on [Lambeth's website](#)

### COVID Vaccines

Information about how the vaccine is being delivered in South East London can be found on the [SELCCG website](#)

Details of the Priority Groups for Vaccination can be found in the advice from the Joint Committee on Vaccination and Immunisation, 30th December 2020, [here](#)

Clinically Extremely Vulnerable individuals are in priority level 4.

Unpaid carers under 65 are included in priority group 6: all individuals aged 16 years to 64 years with underlying health conditions which put them at higher risk of serious disease and mortality.

**Carers** are mentioned in Footnote 3: "*This also includes those who are in receipt of a carer's allowance, or those who are the main carer of an elderly or disabled person whose welfare may be at risk if the carer falls ill*". This includes parent carers.

**Unpaid carers** do not have to be registered as a carer with their GP to be included in priority group 6 but it is **strongly advised they do register** as this will make it easier for them to be identified. Most Practice websites will have an opportunity for people to register as a carer online. The online form can be hard to find so it's probably quickest to put the word carer into the search bar.
